SCHOOL-WIDE POSITIVE BEHAVIOUR SUPPORT

2022

STUDENT HANDBOOK

Prepared by
SWPBS Team

SWPBS

School-Wide Positive Behaviour Support (SWPBS) is a whole school framework which helps our school to create positive learning environments.

It is a proactive approach and focuses on teaching you expected behaviours.

At Stevensville Primary School you:

- * talk about the expected behaviours and discuss why they are important
- *are taught the expected behaviours during classtime
- *are acknowledged and receive positive feedback when you demonstrate the expected behaviours
- *demonstrate and model social skills
- *reflect on what you need to change to ensure you are successful.

School Values

**Our school Values:
Respect, Responsibility and Trust**

**We are RESPECTFUL
We are RESPONSIBLE
We are TRUSTWORTHY**

The Positive Behaviour Expectations matrix displays our CORE values (Respect, Responsibility and Trust) as expected behaviours.

You will find a matrix displayed in each classroom around the school and it is referred to and discussed regularly. You will also be given your own copy of the matrix to keep in your book box. Teachers will teach you how to demonstrate each of the expectations in SWPBS lessons and other lessons throughout the day.

You will be acknowledged for demonstrating expected behaviours either through behaviour specific verbal praise or with a Values Card.

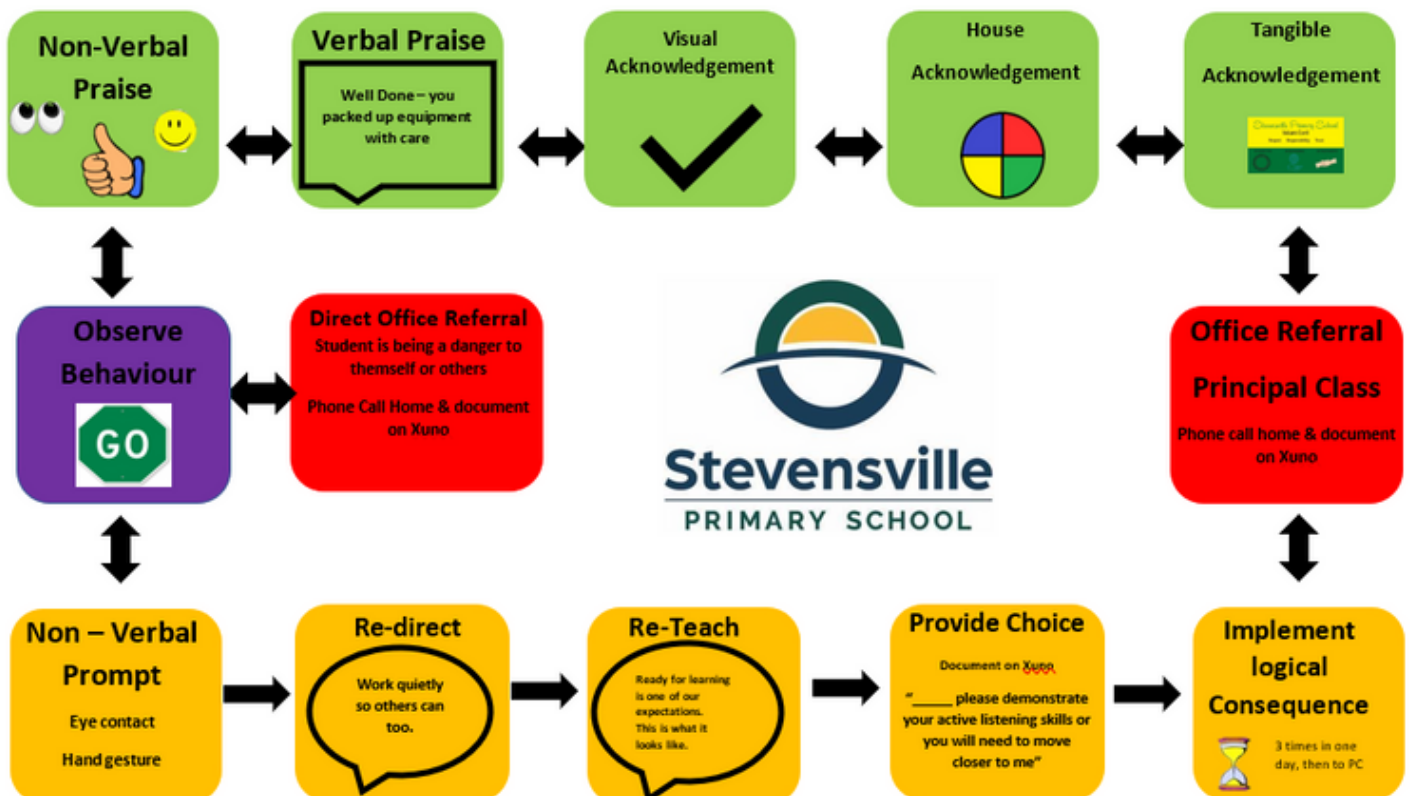

Behaviour Response Continuum

Our Stevensville Behaviour Response Continuum is displayed in every classroom and provides a clear visual of how behaviour will be addressed.

When you show our school values, you will move through the green section of the continuum and receive praise in many ways. If you do not show the school values, you move through the yellow and red sections of the continuum.

The arrows on the Continuum go two ways. This means you have many chances to correct your behaviour if you make a mistake.

Acknowledgement Systems

A whole school acknowledgment system is in place to reinforce expected behavior.

By acknowledging positive behaviour you will:

- * be motivated by earning values cards
- * be supported to demonstrate positive behaviours and expectations
- * remain engaged when you have a positive incentive
- * be self-motivated to earn acknowledgments
- * receive positive feedback

VALUES CARDS

At Stevensville Primary School we have a Values Card System. You can receive a values card for displaying any of our three values - Respect, Responsibility and Trust. Cards can be earned in the classroom, at specialist lessons, in the playground and when you are out in the community.

Once earned, values cards are placed in your allocated house box. Each week one lucky values card is drawn from each of our four houses. If your card is drawn out you will receive a prize from our SWPBS Shop. All values cards go into a Mega Prize Draw at the end of each month. After the Mega Draw you will receive your values cards back, stamped so they can not be returned to the house boxes. You can save them up to go shopping in our SWPBS Shop.

The houses at SPS are dedicated to Australian's who have shown compassion, determination and vigour.

House System

When you start school at Stevensville you are placed into one of our four Houses. The four houses are:

CHANG

WAKE

MURDOCH

MAWSON

All classrooms have the House System on display.

You can earn points for your house by demonstrating our school values and the expectations outlined in the matrix. Any positive action or outstanding effort can be rewarded with house points.

House points are collected each Friday by house captains and tallied on our house tally boards. The winning house is announced at Friday's Assembly.

You will meet in your house team regularly and house captains will run team building activities to encourage and promote positive behaviours. You will also compete on athletics days and participate in whole school events in your house team.

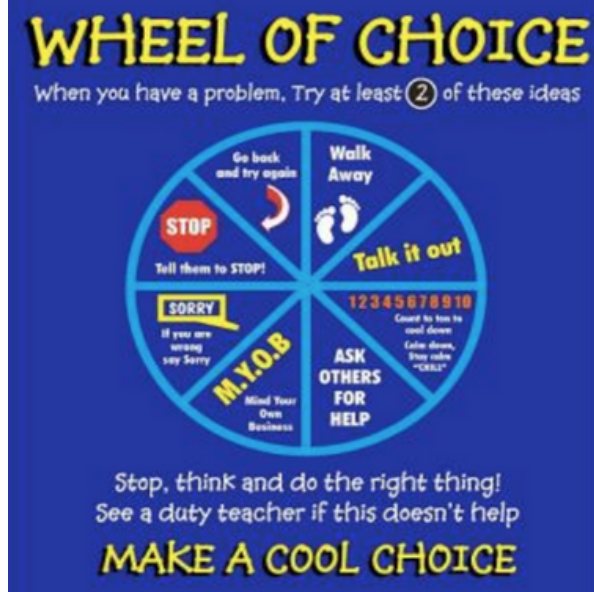

In the Playground

At Stevensville Primary School you are encouraged to be problem solvers and use the Wheel of Choice as support to be proactive in dealing with minor incidents.

The Wheel of Choice is displayed in all play zones.

Our School has trained Peer Mediators who are out in the yard during recess and lunchtime. Peer Mediators wear easily identifiable green vests and support you when you can not problem solve minor incidents.

If the incident can not be resolved by our Peer Mediators, you should approach teachers in the yard who are wearing orange vests.
